

## Benefits of Technology

### Healthy & Safety Slide

#### ***Clapboard Ridge***

- Simply Home System with sensors (\$2,195).
  - Maintains the safety of one of the people we support who is at risk for falls, and another with PKU who will ingest food with phenylalanine.
  - Prevents the need for a second overnight awake staff, and providing more independence to the 2 men.
  - Yields annualized savings of \$8,760.
  - After year 1, the annualized fee will be \$780, and the savings will be maintained.
- For every \$1 spent, \$3.99 is saved in year 1.
  - For every \$1 spent, \$11.23 will be saved each year thereafter.
