

Develop Buy-In Plan

Incentives Sample

Are you looking to make a little extra cash this New Year by helping us help the people we serve?

The Day and Work Services team is looking to you for your help with finding additional Work, Activity Space, Recreation, or Volunteer Opportunities for the people we serve. If you can give us a lead or connection at a place you are connected to, or shop at frequently, send it our way for a Financial Incentive!

What are we looking for and where?

- Greater Danbury and all surrounding towns: Work, Activity Space, Recreation and Volunteer opportunities
- Greater Waterbury: Work opportunities
- New Haven area: Work opportunities
- Bridgeport: Work opportunities
- Norwalk: Work, Recreation and Volunteer opportunities
- Stamford/Greenwich: Work opportunities
- Westchester County, NY: Work, Recreation and Volunteer opportunities

Who is eligible?

This is a Voluntary Incentive Program for all Ability Beyond employees!

What do you have to do?

Talk to someone that you know in your community that may have an employment, recreation, space, or volunteer opportunity for an individual or group of individuals that we currently serve in one of our CT or NY Day and Work Programs, and connect us to your lead.

What are the incentives and how do you get them?

1. \$25.00 – Connect a member of the Day and Work Management team with an employer/business owner/contact who has decision-making authority. If the connection leads to a face-to-face meeting, you will be given \$25.
2. \$50.00 – If the face-to-face meeting leads to our individuals securing employment, gaining a new recreation or volunteer activity, or new space for us to host an activity, you will be given \$50 when the new opportunity has started.
3. \$75.00 – If the opportunity is still working successfully 30 days after the start date, you will be given \$75.

If you have any questions, please reach out to the Day and Work Management Team! Thank you!
